WHAT IS A NODE?

I nodi svolgono un ruolo cruciale nel funzionamento e nella sicurezza dei sistemi blockchain. Sono responsabili di vari compiti, tra cui la creazione, la trasmissione e la convalida delle transazioni, nonché il conio o l'estrazione di nuovi token.

PROJECT CATEGORIES AND PACKAGES

Sei livelli di pacchetti Fondatori:

Che vanno da 500 USDT a 100.000 USDT, ogni livello offre vantaggi unici e aumenta il numero di nodi posseduti.

Inclusione del pacchetto Academy:

Ogni pacchetto include un contributo di 100 USDT alla Blockchain Sports Academy in Brasile, volto a sostenere e coltivare i giovani talenti.
